for municipalities with a population of less than 20,000 for the

**West Grey Goes Wireless Initiative**

The Municipality of West Grey, in partnership with Wightman Telecom Ltd. has made available no-fee Wireless Hotspot locations in Neustadt and Ayton. With this initiative both Wightman Telecom Ltd. and West Grey are building on the community in an interesting and innovative way.

West Grey is moving ahead with E-Technology. Wireless technology allows for business people, tourists and residents to access the internet for modern communications and Wightman Telecom Ltd. has made this possible. This partnership is working for the community to keep up with modern technology while continuing to enjoy our rural / urban setting.

## West Grey has 5 Hotspot Locations
