West Grey Contractor Health and Safety Agreement

It is our objective at the Municipality of West Grey, to provide all persons within our workplace, the opportunity to work in a safe environment. It is the Municipality's Policy to totally eliminate all accidents through Health and Safety Standards. All Employees, Contractors, Sub-contractors, Suppliers and any other Service Providers to our projects must co-operate and make all reasonable efforts to ensure the maximum protection and minimum inconvenience to the general public, occupants and the environment.

The Municipality of West Grey believes the following ideals must be accepted and followed in order to ensure safety on our projects.

- Any Contractor hired by the Municipality must ensure that their employees have safety training and certificates equal or exceeding the requirements set forth in the current Occupational Health and Safety Act and current regulations.
- The Contractor(s) on the project must work in conjunction with the Municipality's appointed Health and Safety representatives. All Contractors must follow Health and Safety policies set forth by the Municipality.
- The Contractor must report and investigate all incidents, and near accidents to the Site representative and Health and Safety representative immediately.
- Health and Safety policies will be reviewed and be part of all pre-site and site meeting agendas and will have the Contractor, as well as, the Municipality represented.
- Health and Safety issues will always be given immediate attention by the Municipality, its representatives, contractors and sub-contractors.
- All applicable current and environmental legislation/regulation(s) are considered a minimum requirement;
- All employees, contractors/sub-contractors, suppliers and visitors/residents must immediately report unsafe conditions, incidents and accidents to the Project/Site Supervisor or the Municipality of West Grey's Occupational Health and Safety Officer.

Failure to adhere to one of the above stated requirements would jeopardize the Health and Safety of all. Through a safety conscious workforce, the quality of work and production will ensure safe and timely project completion. **All** accidents will be investigated to determine the causes and corrective actions to prevent recurrence.

Disciplinary Action in the form of:

- Step 1 Verbal Warning
- Step 2 Written Warning
- Step 3 Notification to the Ministry of Labour regarding project violations/termination of the legislation/regulation(s) and unsafe work practices.

The Municipality takes pride in the commitment of our employees and contractors and will take the necessary steps to ensure Health and Safety on all projects.
