## **PART A - PREAMBLE**

### **PURPOSE**

The purpose of this Amendment is to change the land use designation of those lands shown as "subject lands" on Schedule 'A-10' attached to this amendment from 'Institutional' to 'Commercial'. The re-designation and associated rezoning would permit a commercial use of the subject lands.

The 'Hazard Land B – Floodfringe' overlay would remain on the property.

### **LOCATION**

The lands to be effected by the Official Plan Amendment are described as Part Lot 52, e/s Mill Street, Plan 162, former Village of Neustadt, Municipality of West Grey, and are shown as the "subject lands" on the attached Schedule "A-10".

### **BASIS**

The subject lands are currently designated 'Institutional on Schedule "A' (Land Use Plan) to the Village of Neustadt Official Plan, with a 'Hazard Land B – Floodfringe' overlay.

The existing building on the property was previously occupied by the post office, hence the 'Institutional' designation. The building has been vacant for almost two years.

Under the current 'Institutional' designation, the permitted uses are limited to education, religious or charitable nature, voluntary organizations, friendly societies and other similar undertakings of a public or semi-public character. The owner of the property is proposing a 'Commercial' designation in order to allow for a variety of commercial uses typically permitted in the downtown. The property is situated within the downtown of Neustadt and all other properties fronting onto Mill Street in the vicinity of the subject property are designated 'Commercial'.

The policies for the 'Hazard Land B – Floodfringe' overlay which require certain flood proofing measures will remain in effect.
