Business Arising From Previous Meeting
The Committee of the Whole requested an update on the Ayton Parking lot project. The Director of Infrastructure and Public Works noted he assisted the Manager, Community Services, with this project, noting Grey County regulates the number of entrances to the site, and the Director had recommended only providing one entrance due to safety concerns. The CAO/staff will be providing an update on the 2019 Capital budgets/variance report. The Director indicated the asphalt can be removed and topsoil added with the possibility of planting trees to ensure vehicles don’t use the former north access. Mayor Robinson noted that changes such as this need to be communicated to the public. The Committee also suggested using boulders to deny access.
