Statement of Administrative Responsibility

Management's Responsibility for the Consolidated Financial Statements

The management of The Corporation of the Municipality of West Grey have prepared the accompanying consolidated financial statements and are responsible for their accuracy and integrity. The consolidated financial statements have been prepared by management in accordance with the accounting principles generally accepted for the public sector as prescribed by the Public Sector Accounting Board [PSAB] of the Canadian Institute of Chartered Professional Accountants.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, administration has developed and maintained a system of internal control designed to provide reasonable assurance that the Municipality's assets are safeguarded from loss and that the accounting records are a reliable basis for the preparation of the financial statements.

The Chief Administrative Officer and Director of Finance/Treasurer review the financial statements before such statements are submitted to Council and published for the residents of West Grey. The external auditors have access to, and meet with Administration and Council to discuss their audit and the results of their examination.

Council meets with the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to council's approval of the consolidated financial statements.

The financial statements have been audited by BDO Canada LLP, independent external auditors appointed by council. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

Independent Auditor's Report

To the Members of Council of
The Corporation of the Municipality of West Grey

Opinion

We have audited the consolidated financial statements of The Corporation of the Municipality of West Grey (the Municipality), which comprise the consolidated statement of financial position as at December 31, 2022, and the consolidated statements of operations, consolidated changes in net financial assets, and consolidated cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Municipality as at December 31, 2022, and its consolidated results of operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Corporation of the Municipality of West Grey Summary of Significant Accounting Policies

December 31, 2022

Basis of Accounting The consolidated financial statements of The Corporation of the Municipality of West Grey are the representations of management. They have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board (PSAB) of CPA Canada.

Basis of Consolidation The consolidated financial statements reflect the assets, liabilities, revenues and expenses of all municipal organizations, committees and boards which are controlled by Council. All interfund assets, liabilities, revenues and expenses have been eliminated on consolidation.

The following boards and municipal enterprises owned or controlled by Council have been consolidated:

West Grey Police Services Board
West Grey Library Board
Ayton Union Cemetery Board
Durham Business Improvement Area
Durham Cemetery Board

A government partnership exists where the municipality has shared control over the board or entity. The municipality's pro-rata share of the assets, liabilities, revenues and expenses are reflected in the financial statements using the proportionate consolidation method. The municipality's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:

Elmwood Fire Department	56%
Saugeen Mobility and Regional Transit	14%
Elmwood Community Centre Board	50%
Saugeen Municipal Airport	27%

Use of Estimates The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Estimates are used when accounting for items such as accrued grant receivables, accrued liabilities, useful lives of capital assets, post-employment benefits, solid waste landfill closure and post-closure costs and taxation revenue. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

The Corporation of the Municipality of West Grey Summary of Significant Accounting Policies

December 31, 2022

Revenue Recognition	<p>Revenues are recognized as follows:</p> <ul style="list-style-type: none">a) Taxation revenues are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts.b) Fines and donations are recognized when collected.c) Fees, user charges and other revenues are recorded upon sale of goods or provision of service when collection is reasonably assured.d) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
Cash and Cash Equivalents	<p>Cash and cash equivalents include cash balances and short term highly liquid investments that are readily converted into cash.</p>
Temporary Investments	<p>Temporary investments are recorded at cost unless there has been a decline in the market value which is other than temporary in nature in which case the investments are written down to market.</p>
County and School Board	<p>The municipality collects taxation revenue on behalf of the school boards and the County of Grey. The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the County of Grey are not reflected in these financial statements.</p>
Inventory	<p>Inventory of supplies is recorded at the lower of cost and replacement cost.</p>

The Corporation of the Municipality of West Grey Summary of Significant Accounting Policies

December 31, 2022

Loans Receivable	Loans receivable are recorded at cost.																
Tangible Capital Assets	<p>Tangible capital assets are recorded at cost less accumulated amortization. Costs include all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets, using the straight-line method. The useful lives of the assets are based on estimates made by management as follows:</p> <table><tr><td>Land improvements</td><td>30 to 100 years</td></tr><tr><td>Buildings</td><td>50 to 80 years</td></tr><tr><td>Building components</td><td>10 to 80 years</td></tr><tr><td>Equipment</td><td>5 to 25 years</td></tr><tr><td>Vehicles</td><td>2 to 25 years</td></tr><tr><td>Infrastructure:</td><td></td></tr><tr><td> Road surfaces</td><td>20 to 80 years</td></tr><tr><td> Utility systems</td><td>70 to 100 years</td></tr></table> <p>Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue. Where fair market value cannot be reasonably determined, contributed tangible capital assets are recorded at a nominal amount.</p>	Land improvements	30 to 100 years	Buildings	50 to 80 years	Building components	10 to 80 years	Equipment	5 to 25 years	Vehicles	2 to 25 years	Infrastructure:		Road surfaces	20 to 80 years	Utility systems	70 to 100 years
Land improvements	30 to 100 years																
Buildings	50 to 80 years																
Building components	10 to 80 years																
Equipment	5 to 25 years																
Vehicles	2 to 25 years																
Infrastructure:																	
Road surfaces	20 to 80 years																
Utility systems	70 to 100 years																
Intangible Assets	Intangible assets, art and historic treasures, and items inherited by right of the Crown, such as Crown lands, forests, water, and mineral resources, are not recognized in these financial statements.																
Liability for Contaminated Sites	A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries. Management is not aware of any contaminated sites.

2024		53,449
2025		987,435
		\$ 1,192,438

The Corporation of the Municipality of West Grey

Notes to Financial Statements

December 31, 2022

6. Landfill Site Closure and Post-Closure Care Liability

Landfill closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, removal of ground water and leachates, and ongoing environmental monitoring, site inspection and maintenance.

The liability recorded is \$425,721 (2021 - \$388,528) and represents the present value of closure and post-closure costs for three active sites and two closed sites, using the municipality's average long-term borrowing rate of 5.25% adjusted for inflation. The liability is recorded based on the capacity of the landfills used to date. The total estimated future expenditures for closure and post-closure care are \$580,402 leaving an amount to be recognized of \$154,681.

The estimated remaining capacity of the three sites is approximately 158,721 (2021 - 164,801) cubic meters. The sites have remaining life of 17 years. Post-closure care is estimated to continue for a period of 20 years.

7. Employee Future Benefits Liability

Pension Plan

The municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 71 (2021 - 69) members of its staff. The plan is a defined benefit plan, which specifies the amount of the retirement benefits to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan. The amount contributed to OMERS by the municipality for 2022 was \$586,888 (2021 - \$522,148). The contribution rate for 2022 was 9.0% to 15.8% depending on age and income level (2021 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits is the joint responsibility of the Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was as at December 31, 2022. At that time, the plan reported an actuarial \$6.68 billion actuarial deficit (2021 - deficit of \$3.10 billion), based on actuarial liabilities of \$128.79 billion (2021 - \$119.30 billion) and actuarial assets of \$122.11 billion (2021 - \$116.2 billion). Ongoing adequacy of the current contribution rates will need to be monitored as fluctuations in financial markets may lead to increased future funding requirements.

The Corporation of the Municipality of West Grey Notes to Financial Statements

December 31, 2022

7. Employee Future Benefits Liability (continued)

Other Benefits

The municipality provides post-employment health and dental insurance benefits to eligible retired employees. The municipality recognizes these post-employment costs in the period in which the employees rendered the services. Payments for these benefits totaled \$23,865 for the year and are included as an expenditure on the consolidated statement of operations. The accrued benefit obligation at December 31, 2022 was \$408,065 (2021 - \$392,707).

Actuarial valuations for accounting purposes are performed using the projected benefit method, pro-rated on services. The most recent actuarial report was prepared as at December 31, 2021.

The actuarial valuation was based on a number of assumptions about future events, such as inflation rates, interest rates, medical inflation rates, employee turnover and mortality rates. The assumptions used reflect management's best estimates. A discount rate of 3.00% was assumed to determine the accrued benefit obligation, along with an annual rate of increase in extended health benefit costs of 5.75%, decreasing annually to an ultimate rate of 4% in 8 years and an annual rate of increase in dental benefit costs of 3.5%. The post-employment benefit expenditure includes current period benefit costs of \$21,336, interest on the obligation of \$12,517 and amortization of gains (losses) of \$(7,050).

14. Segmented Information

The Corporation of the Municipality of West Grey is a diversified municipal government institution that provides a wide range of services to its citizens such as police, fire, wastewater, water, waste collection, disposal and recycling, recreational, library and planning. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

General Government

This segment relates to the revenues and expenses that relate to the governance and operations of the municipality itself and cannot be directly attributed to a specific segment.

Protection to Persons and Property

Protection is comprised of police services, fire protection, conservation authority, emergency measures, animal control and building and structural inspection. The police services work to ensure the safety and protection of the citizens and their property. The fire department is responsible to provide fire suppression service, fire prevention programs, training and education. The members of the fire department consist of volunteers. The building department provides a number of services including maintenance and enforcement of building and construction codes and review of all property development plans through its application process.

Transportation

Transportation is responsible for construction and maintenance of the municipality's roadways, bridges, parking areas and streetlighting. Transportation also includes the provision of air transportation through the Saugeen Municipal Airport.

The Corporation of the Municipality of West Grey

Notes to Financial Statements

December 31, 2022

14. Segmented Information (continued)

Wastewater and Water

This service provides the municipality's drinking water. They process and clean sewage and ensure the municipality's water system meets all Provincial standards.

Environmental

Environmental services consists of providing waste collection, disposal and recycling to its citizens.

Health

Health services include contributions to support local hospitals. Health services also includes the operations of local cemeteries.

Recreational and Cultural Services

This service area provides services meant to improve the health and development of the municipality's citizens. The municipality operates and maintains parks, arenas, a swimming pool and community centres. The municipality also provides library services and recreational programs.

Planning and Development

This department is responsible for planning and zoning including the Official plan. This service area also includes tourist information and promotion, business improvement area, weed control, and drainage.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis as follows:

Taxation and payments-in-lieu	Allocated to those segments that are funded by these amounts based on the net surplus for the year.
OMPF Grants	Allocated to segments based on the net surplus for the year.

The Corporation of the Municipality of West Grey Notes to Financial Statements

December 31, 2022

15. Government Partnerships (continued)

Saugeen Mobility and Regional Transit (S.M.A.R.T.) operates a specialty transit service; Saugeen Municipal Airport operates a municipal airport; the Elmwood Fire Department provides fire protection services for ratepayers; and the Elmwood Community Centre provides recreational services to the residents of the area.

16. Budget Amounts

Under Canadian generally accepted accounting principles, budget amounts are to be reported on the consolidated statements of operations and change in net debt for comparative purposes. The budget amounts for The Corporation of the Municipality of West Grey are as approved by council and have been reclassified to conform to the presentation of the consolidated statements of operations and change in net debt.

The following is a reconciliation of the budget approved by council:

	2022 Budget	2022 Actual	2021 Actual
Annual surplus (deficit)	\$ 3,476,383	\$ 2,929,933	\$ 2,834,590
Acquisition of tangible capital assets	(16,639,946)	(8,794,445)	(4,096,456)
Proceeds on disposal of tangible capital assets	60,000	478,475	399,545
Amortization	2,933,550	3,358,945	3,197,243
(Gain)/loss on disposal of tangible capital assets	-	(175,994)	(351,544)
Proceeds from issue of long-term debt	8,104,860	74,290	-
Debt principal repayments	(360,734)	(219,898)	(265,685)
	(2,425,887)	(2,348,694)	1,717,693
Transfers from (to) reserves for operations	341,828	493,183	(745,411)
Transfers from (to) reserves for capital	2,141,501	735,251	(796,903)
Change in unfunded liabilities	-	52,551	54,595
Reserve funds annual surplus	-	(3,974)	(1,272)
Capital projects not funded (expended)	-	713,426	(283,598)
	57,442	(358,257)	(54,896)
General surplus, beginning of year	-	(26,857)	28,039
	\$ 57,442	\$ (385,114)	\$ (26,857)

The Corporation of the Municipality of West Grey Notes to Financial Statements

December 31, 2022

17. Operations of School Boards and the County of Grey

During the year, the following taxation revenue was raised and remitted to the school boards and the County of Grey:

	2022	2021
School boards	\$ 3,309,116	\$ 3,268,398
County of Grey	6,497,716	6,217,947
	\$ 9,806,832	\$ 9,486,345

18. Trust Funds

The trust funds administered by the municipality amounting to \$416,281 (2021 - \$407,331) have not been included in the consolidated statement of financial position nor have their operations been included in the consolidated statement of financial activities. At December 31, 2022, the trust fund balances are as follows:

	2022	2021
Cemetery Pre-need Assurance Fund	\$ 4,674	\$ 4,561
Cemetery Care and Maintenance Funds	410,899	402,062
Ontario Home Renewal Program	708	708
	\$ 416,281	\$ 407,331

19. Contractual Commitments

The municipality pledged support to the Markdale Hospital in the amount of \$218,500 in 2021. The remaining \$124,650 will be paid in equal installments over the next 9 years.

The municipality has outstanding contractual commitments for tangible capital assets at December 31, 2022 in the amount of \$741,560.

The Corporation of the Municipality of West Grey

Notes to Financial Statements

December 31, 2022

20. Contingencies

The municipality has entered into an employment contract with certain municipal employees that requires a monthly payment of 100% of the employee's disposable after tax income less payments received from WSIB and Canada Pension Plan to the family of the employee if the employee is killed or dies as a direct result of injuries received in the performance of their duties. The municipality has an insurance policy to minimize the cost to the municipality.

The municipality has been named in a number of claims that are in proceedings through their insurance company. The municipality's liability with respect to these claims is not determinable at this time. Management is of the opinion that the municipality maintains adequate and appropriate liability and errors and omissions insurance to protect the municipality against such claims.

Independent Auditor's Report

To the Members of Council of
The Corporation of the Municipality of West Grey

Opinion

We have audited the accompanying financial information of The Corporation of the Municipality of West Grey Trust Funds (the Trust Funds), which comprise the balance sheet as at December 31, 2022 and the statement of continuity for the year then ended, and notes to the financial information including a summary of significant accounting policies.

In our opinion, the accompanying financial information present fairly, in all material respects, the balance sheet of the Trust Funds as at December 31, 2022, and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Information* section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Information

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial information that are free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Trust Funds ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Funds internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Corporation of the Municipality of West Grey
Trust Funds
Notes to Financial Statements

December 31, 2022

1. Summary of Significant Accounting Policies

Basis of Accounting	The financial information of The Corporation of the Municipality of West Grey Trust Funds are the representation of management prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board (PSAB) of CPA Canada as prescribed by the Ontario Ministry of Municipal Affairs and Housing.
Use of Estimates	The preparation of financial information in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial information, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.
Basis of Consolidation	These trust funds have not been consolidated with the financial statements of the Municipality of West Grey.
Temporary Investments	Temporary investments are recorded at cost unless there has been a decline in the market value which is other than temporary in nature in which case the investments are written down to market.

2. Temporary Investments

Temporary investments consist of mutual funds. No temporary investments are callable at the option of the issuer in 2022. The investments have a market value of \$277,814 at the end of the year.

The Corporation of the Municipality of West Grey
Trust Funds
Notes to Financial Statements

December 31, 2022

3. Ontario Home Renewal Program

The Ontario Home Renewal Program was established by the Ontario Ministry of Housing in 1973 to provide grants for municipalities to make loans to assist owner occupants to repair, rehabilitate and improve their homes to local property standards. Individual loans were limited to \$7,500, of which the maximum forgivable portion was \$4,000.

Ontario Home Renewal Program loans receivable at December 31, 2022 comprise repayable loans of \$708 and forgivable loans of \$nil. Loan forgiveness is earned and recorded at a rate of up to \$600 per year of continuous ownership and occupancy. In the event of the sale or lease of the home or in the event of the homeowner ceasing to occupy the home, the balance of the repayable loan and the unearned forgivable loan immediately becomes due and payable by the homeowner.

As of July 16, 1993 the Ontario Home Renewal Program was discontinued and municipalities were prohibited from issuing further loans as of that date. All OHRP funds held in municipal trust accounts as of December 31, 1993 were remitted to the Province by March 1, 1994. Any loans receivable under the program which are collected subsequent to December 31, 1993 were remitted to the Province by March 1st of the following year. However, municipalities will be provided an administration fee of five per cent of the balances collected after December 31, 1993 and are permitted to retain the interest earned on unremitted OHRP trust account balances.

Independent Auditor's Report

To the Members of Council of
The Corporation of the Municipality of West Grey

Opinion

We have audited the financial statements of The Corporation of the Municipality of West Grey Public Library Board (the Entity), which comprise the statement of financial position as at December 31, 2022 and the statements of operations, change in net financial assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2022, and its results of operations, its change in net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Corporation of the Municipality of West Grey
Public Library Board
Summary of Significant Accounting Policies

December 31, 2022

Management Responsibility	The management of The Corporation of the Municipality of West Grey Public Library Board has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in these financial statements. The Board reviews and approves the financial statements.
Basis of Accounting	The financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada.
Use of Estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.
Revenue Recognition	User fee revenue is recognized when earned, as services are rendered to customers, providing the amount is fixed or determinable, and collectibility is reasonably assured.
Government Transfers	Government transfers are recognized in the financial statements as revenue in the period that the events giving rise to the transfer occur; providing that the transfer is authorized, eligibility criteria, if any, have been met by the recipient, and a reasonable estimate of the amount can be made.
Non-Financial Assets	Tangible capital and other non-financial assets are accounted for as assets by the organization because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the organization unless they are sold.

The Corporation of the Municipality of West Grey
Public Library Board
Summary of Significant Accounting Policies

December 31, 2022

Tangible
Capital Assets

Purchased tangible capital assets are recorded at cost. Contributed tangible capital assets are recorded at fair market value at the date of contribution. Where fair market value cannot be reasonably determined, contributed tangible capital assets are recorded at a nominal amount. Amortization is calculated on a straight-line basis over the estimated useful life of the asset. The useful lives of the assets are based on estimates made by management as follows:

Books - 15 years
Furniture, fixtures, and computers - 7 to 50 years

Employee
Future Benefits

Defined contribution plan accounting is applied to the board's multi-employer defined benefit pension plan.

The Corporation of the Municipality of West Grey
Public Library Board

The Corporation of the Municipality of West Grey
Public Library Board
Notes to Financial Statements

December 31, 2022

2. Employee Future Benefits Liability

Pension Plan

The Board makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 2 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan. The amount contributed to OMERS for 2022 was \$13,119 (2021 - \$11,914). The contribution rate for 2022 was 9.0% to 15.8% depending on age and income level (2021 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surplus or deficit is a joint responsibility of Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was December 31, 2022. At that time the plan reported an actuarial deficit of \$6.7 billion (2021 - deficit of \$3.1 billion), based on actuarial liabilities of \$128.8 billion (2021 - \$119.3 billion) and actuarial assets of \$122.1 billion (2021 - \$116.2 billion). Ongoing adequacy of the current contribution rates will need to be monitored as fluctuations in financial markets may lead to increased future funding requirements.

3. Accumulated Surplus

The accumulated surplus reported on the statement of financial position is comprised of the following:

	2022	2021
Amount invested in tangible capital assets	\$ 203,274	\$ 197,748
Reserves	29,054	56,934
	<u>\$ 232,328</u>	<u>\$ 254,682</u>

The Corporation of the Municipality of West Grey
Public Library Board
Notes to Financial Statements

December 31, 2022

4. Budget Amounts

Under Canadian generally accepted accounting principles, budget amounts are to be reported on the statement of financial activities for comparative purposes. The budget amounts for The Corporation of the Municipality of West Grey Public Library Board are as approved by council and have been restated to conform to the basis of presentation of the revenues and expenditures on the statement of financial activities.

The following is a reconciliation of the budget approved by Council:

	2022 Budget	2022 Actual	2021 Actual
Annual surplus (deficit)	\$ 18,000	\$ (22,354)	\$ 9,624
Capital acquisitions, disposals and write-down	(23,000)	(33,514)	(25,040)
Amortization	-	27,988	29,074
Transfers from reserves for operations	5,000	27,880	(13,658)
General surplus (deficit), end of year	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

5. Contractual Commitments

The Board extended their agreement with the Municipality of Grey Highlands dated February 8, 2017 which now expires December 31, 2024, to allow West Grey residents to use the Grey Highlands Library services at no cost. In exchange the board will pay Grey Highlands Library \$14,905 per year, increasing by 2% per year.
